## Injunction Against Catch-and-Release Trout Rule Sought

The Committee To Oppose Catch-and-Release has filed in 36th District Court for an injunction to halt a new no-kill rule for the mainstream AuSable. No date has been set for the hearing, but the Committee To Oppose Catch-and-Release is hoping to have a hearing before the traditional trout season opener April 26. Judge Alton T. Davis will be presiding over the hearing. The request for a hearing was filed Monday, April 7.

## City-Twp. Fire Dept. to Seek Data

In the near future, members of the Grayling City and Township Fire Department and Crawford County Ambulance Corp will begin visiting all Grayling City residents and businesses to gather data base information. The information gathered will be put in a computer and will assist dispatchers and emergency service personnel in the event they are called to your home or business.

During their visit, the emergency service personnel will be asking questions concerning family members medical conditions, building construction and surrounding exposures. The data obtained will be used by Emergency Service personnel and will be kept confidential.

## Woman Struck In Hit-And-Run Accident

An 18-year-old woman was injured Sunday about 6:45 p.m. when a car struck her as she was walking along M-72 East near Staley Lake Road. The car did not stop after the accident and police are looking for a mid to full-size dark older model car with a loud muffler. The right front of the car could have been damaged in the collision. The car was traveling slowly and police feel its possible the driver could have fallen asleep and not realized he struck anyone. The woman was treated for many bumps and bruises at Mercy Hospital and released. No broken bones were reported. Police are asking anyone who may have information about a car matching this description in the area Sunday to call the sheriff dept. at 348-6341 or use the anonymous tip line at that number by asking for extension 3000.

## Sign Up Starts Here For '86 Michigan Youth Corps

Unemployed 18-21 year-old men and women can apply now for summer Michigan Youth Corps jobs in Crawford County. Applications are available at the Michigan Employment Security Commission office in the county courthouse, the Department of Social Services office, the local Service Delivery Area agency, or Kirtland Community College.

Youth Corps jobs can run from June 2 to September 31 and pay \$3.35 an hour. The jobs are with non-profit public entities and usually involve improving parks, rivers, drains, lakes, highways, and community facilities. About 12,500 youths will be employed through the program this summer in the state. About 30 jobs will be available in Crawford County.

## School District Engineer Starts 40th Year at Crawford Ausable

School District employees gathered with District Engineer Les Goss April 7 to celebrate the start of his 40 years with the schools. Les originally began work with his father Oscar when the Grayling School District was comprised of the South Side School and what is now the Middle School. In that time period the graduating class has grown from 40 students to 105 students and the operations have grown to cover four buildings and over 500 square miles.

## Playground Fund Drive Nears Completion

Contributions from area clubs, businesses, and individuals have totalled a little over \$9,000 since the fund drive began five weeks ago. The goal of \$12,000 by April 15 is within reach if area citizens will remember to give donations of money and Glen's receipts in canisters located in area businesses, or by mail. Mail contributions may be made to Grayling BPW Playground Fund, P.O. Box 911, Grayling, Mi.

The City of Grayling has ordered two pieces of playground equipment already - the log play structure and the infant swings. When it is known how much money is raised, the city will order as many more pieces of equipment as possible, and complete the plans for the playground.

## Two File Petitions for School Board

Incumbent Fred Allen and Steve Langseth, both from Grayling, have filed petitions placing their names on the ballot for two Board of Education seats in the annual June school election. The two terms expiring were held by Fred Allen and Mary Allen. Mary Allen chose not to run for reelection.

## Breakfast Fund-Raiser For Grayling Fish Hatchery Set For Sunday, April 13

The Grayling Fish Hatchery will be opening its doors soon and a breakfast fund-raiser has been set to help bring in start-up money for one of Grayling's main tourist attractions. The fund-raiser will feature a full breakfast menu at Wert's Lone Pine Inn 7 a.m. to 1 p.m. Sunday, April 13. At 12 noon, a special speaker will update the audience on the legal effort to halt a new catch-and-release rule on the mainstream AuSable.

## Range Firing Conducted

"Range firing will be conducted at Camp Grayling during the period 9 April thru 16 April 86.

Firing will be in the following areas on the dates and times as indicated.

The Small Arms ranges located north of Howe Rd, west of Lake Margrethe, east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 AM 12 April and cease at 5:00 PM 13 April 86.

The Range 40 Complex located north of County Rd 612, east of Guthrie, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 8:00 AM (Daily) 9 April and cease at 8:00 PM (Daily) 16 April 86, and run continuous from 8:00 AM 12 April until 8:00 PM 13 April 86.

The ranges will be closed to the public during this period and all persons are warned to keep out of the areas identified."

**CAMP LEHMAN** — Shown is the sign and entrance to the minimum-security correction facility located off Hartwick Pines Road. Going down the end of the entrance road are two trucks carrying work crews from Camp Lehman.

## Camp Lehman Eyed For Possible Expansion

Tentative plans by the Michigan Department of Corrections call for expanding and upgrading Camp Lehman to hold 400 medium-security prisoners.

Currently, Camp Lehman, located just north of Hartwick Pines, is designated a minimum security facility and is holding 170 inmates.

To increase the capacity at Camp Lehman, the tentative plans would add three new 80-bed barracks with individual rooms. To change to a medium security camp, Lehman would be surrounded by a barbed-wire fence and an electronic detection system would be added that tells guards if someone approaches the fence. Additional guards would also be hired.

Duane Cory, camp supervisor at Lehman, said if the plans go through, the payroll at Lehman would be doubled or tripled. The camp currently operates on a \$1,016,000 budget and Cory estimated more than two-thirds of the budget is for payroll.

Cory said downstate persons would probably have to be hired in order to meet certain qualifications, but he said many local persons could also be hired if the changes took place at Lehman.

Cory said he was basically in favor of the proposal so far. He said the camp would have better security and type of inmate at the camp wouldn't change a great deal. Camp Lehman already receives medium security type inmates who are sent there early, he said.

Even if the Lehman designation changes from minimum to medium security, Cory said work crews would still be available for community projects. Camp Lehman crews currently work on community projects throughout the area. They help with City of Grayling projects and work at Camp Grayling. They assist with DNR projects at Hartwick Pines, North and South Higgins Lake State Parks, Otsego Lake, and Clear Lake.

Cory said the Department of Corrections has to have more facilities. "They're send-

ing in more than we're sending home, despite what the public thinks," he said.

Camp Lehman, which has been located north of Hartwick Pines for 35 years, was originally built to hold 68 prisoners. For several years, the facility held between 100 to 126 inmates. Overcrowding became worse last summer and peaked this February when 205 inmates were at Lehman. The gym there, a popular place with inmates, had to be turned into a sleeping area filled with bunks.

The tentative plans concerning Lehman were presented at the end of a court hearing involving the U.S. Justice Dept. and the state.

The U.S. had sued the state, and in a settlement Michigan promised to make prison improvements and ease overcrowding. Gail Light, a spokeswoman for the Dept. of Corrections, said final plans by the state will be submitted to U.S. District Judge Richard Enslenby May 1.

If the Judge orders the state to proceed with the plans, then funding has to be approved by the legislature.

Light said that one 80-bed unit similar to the three proposed for Camp Lehman cost about \$1.5 million to construct. She said she had no estimate on what the fencing might cost for Lehman.

Cory said the facility currently uses about 4-5 acres and the proposal could possibly double the size of the facility.

Light said besides Camp Lehman, a facility in Brighton is also a possible site for expansion. She said everything is still pretty much up in the air.

Cory said high-level state officials are involved in the planning and not much information is being given out yet to Camp Lehman personnel. Cory said it is possible that if the state does go ahead with plans to expand Camp Lehman, construction would not take long. If the project was approved this spring, it's possible construction could be started and finished this summer, he said.

## Environment Study Says G-P Plant Will Have Little Impact

An environmental assessment study for the Georgia-Pacific Beaver Creek resin plant said construction and operation of the plant should not result in any significant deterioration to the natural or social environment of the area.

Georgia-Pacific voluntarily hired Swanson Environmental, Inc., of Farmington Hills, to conduct the assessment. Georgia-Pacific was not required by law to have the study done.

Georgia-Pacific is proposing to build an \$8 million plant capable of producing 200,000 pounds a year of resins used in wood building products and paper products.

There will be fourteen 25,000-gallon storage tanks for the finished product on the site (about 16 acres) located next to Weyerhaeuser along Four Mile Road.

Raw materials will arrive by bulk railroad car and trucks and include the following:

Bulk materials - urea, formaldehyde, phenol (including commercial alternatives), caustic (various hydroxides), Epichlorhydrin, and diethylenetriamine.

Drum or bag materials - catalysts (including substituted amines, metal hydroxides), additives (including phosphates, organic alcohols, organic and inorganic acids, hydrogen peroxide, and ammonia), extenders (including salt, natural earths, vegetable powders, and wood-based

materials), and water treatment and utilities (including chlorine, surfactants, defoamers, emulsifiers, corrosion inhibitors, silicides, soda ash, lime, and antifreeze glycols).

Storage for the raw materials includes four 25,000-gallon formaldehyde tanks, two

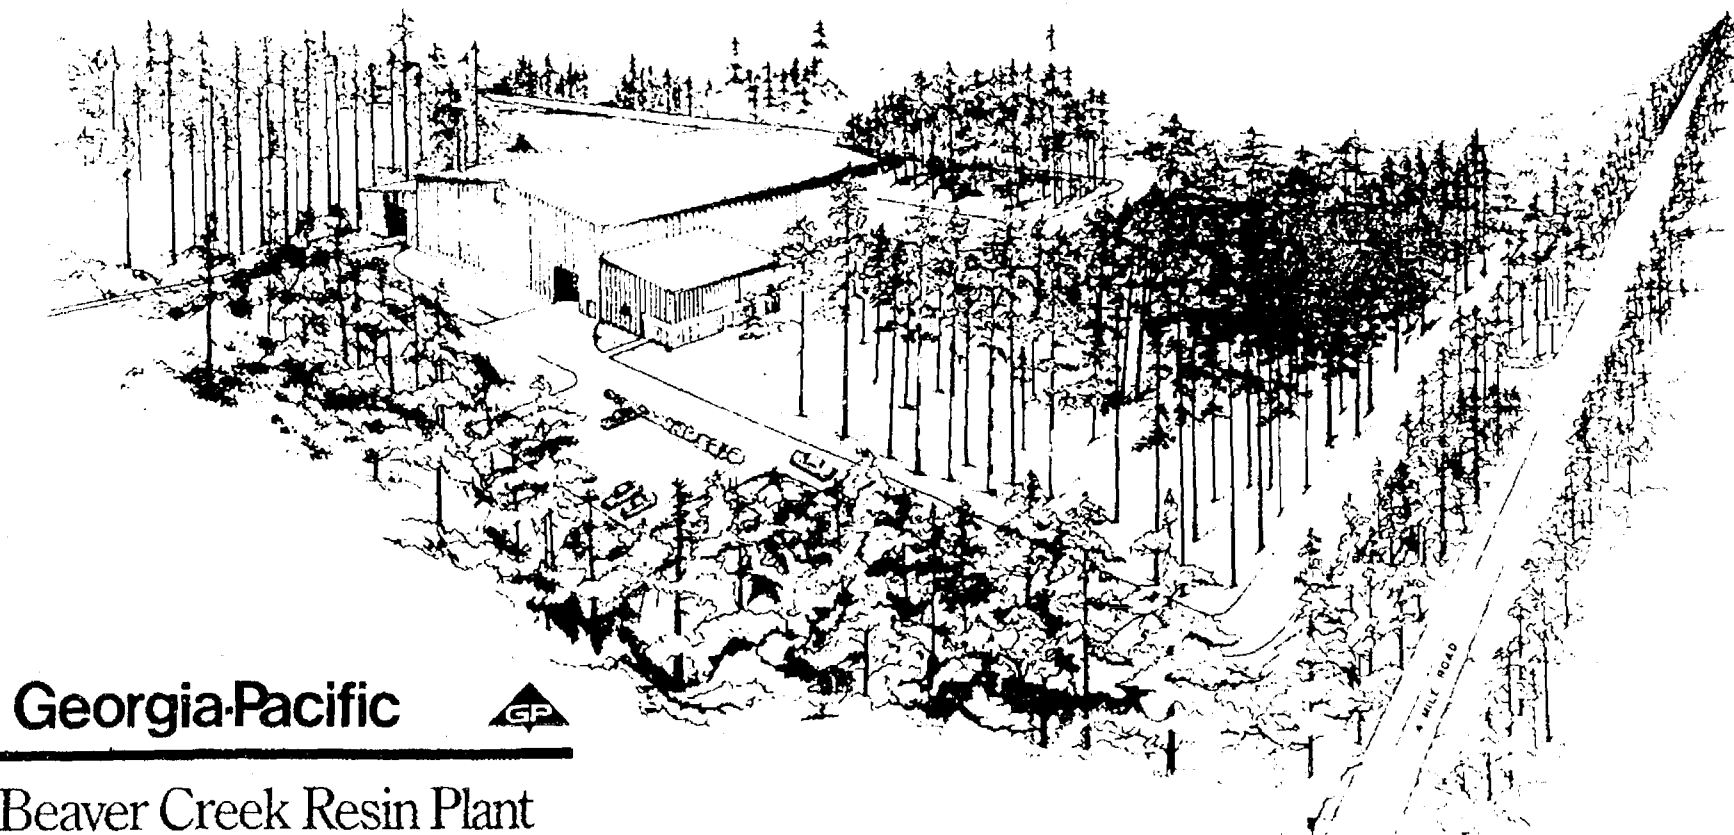

30,000-gallon phenol tanks, one 30,000-gallon diethylenetriamine tank, one 25,000-gallon caustic tank, one 25,000-gallon polyimide tank, one 25,000-gallon UF concentrate tank, one 10,000-gallon epichlorhydrin tank, and one 5,000-gallon urea silo.

There will also be a 30,000-gallon diesel

fuel tank. The plant will use a small natural gas boiler for steam generation with a diesel fuel back-up.

The plant expects to receive about 3-4 railcars a day of bulk raw materials and about 2-3 truckloads a day of raw materials. About

## Booster Club Donations Top \$.25 Million

By Jon Thompson

The Grayling Youth Booster Club will mark its 15th birthday this May and the rest of the community should give the club a birthday cake with a quarter of a million candles on it.

That's how much money the club has donated to youth activities here.

Since May, 1971, the youth boosters have donated about \$255,000 for programs and equipment to help youngsters. For the last two years, 1984 and 1985, the Booster Club has given an average of \$35,700 a year to the community.

The club is continuing that pace in 1986. One of their first donations in 1986 was a \$6,000 contribution to the drive for a children's playground in the city park.

The club started out mainly as a youth sport booster club, but it has branched out to help practically every beneficial youth program.

Look at the 29 donations the Boosters gave in 1985:

\$1,614 for youth ski program at Hanson Hills, \$800 for Legion Kids Christmas Party, \$25 for Easter Egg Hunt, \$125 for Miss Gray-

ling Pageant, \$220 for Special Olympics, \$300 for kids T.V. programs, \$212 for GHS baseball team, \$513 for GHS volleyball team, \$500 for GHS football team, \$50 for GHS baseball team, \$250 for library summer children's program, \$500 for GHS baseball team, \$6,500 for July 4th fireworks and kids games, \$4,044 for Grayling Recreation Authority, \$200 for Arts Council, \$50 for Kids Games sponsored by Grayling Promotional Association, \$4,000 for college scholarships, \$150 for kids fishing contest, \$100 for MDA, \$5,875 for warm ups and other high school sports equipment, \$100 for 4-H youth soccer, \$7,084 for football scoreboard, \$512 for GHS trophy case, \$500 for Legion Auxiliary Toys for Tots, \$468 for Grayling Recreation Authority, \$640 for Police K-9 Unit, \$1,000 for Grayling Little League, and \$1,000 for Junior Pro.

The boosters have given some large contributions through the years. In 1981, they gave \$22,500 to the high school athletic fund to keep sports alive at the high school. In 1978, they gave \$10,000 to the Mercy Hospital Pediatrics Ward. In 1983 and 1984, they gave \$8,000 each year for high school uniforms.

Currently, the club earns two-thirds of its money from Tuesday night Bingo. Other money comes in from 50-50 ticket sales and dinner fundraisers.

The Booster Club has had eight presidents in its 15 years. Jean Potter is the current president and has held the post since October. Gerry St. Germain was president for two years before Potter, and serving before St. Germain were Harry Wolfenbarger, Larkin Baker, Bill Duke, Irv McIsaac, Dick Auman, and Jim Bendig.

Bendig, Jack Mead, Jim Kitchen, McIsaac, and many others were responsible for starting the club in 1971 that turned into one of the most outstanding service clubs in northern Michigan.

The club is run by a 16-member board elected by members. Currently the club has about 600 individual members and 150 business members. It costs \$5 for an individual to join and \$3 a year after that. It costs a business \$10 to join and \$10 a year after. To join or send donations to the Grayling Youth Booster Club, write to P.O. Box 279, Grayling, Mi. 49738.

## From Our Corner...

Wish I had thought of it...

A week ago, Tuesday, Art Lozon was in the office and asked the question about the earliest date that the ice had gone out of Lake Margrethe?...

Dumbfounded as I am, I asked why? Art said well the ice went out of the lake today, April 1st, and I was wondering if this could be the earliest...

Now, as we have professed many times, we are not a fisherman, and at my age now, not a swimmer, we have really forgotten about water and ice in a lake...

In fact the closest I have come to water is in a tub or shower, and a while back I used to chase my orange pop with a dash of water...

It was a good question by Art, but we have reservations, whether he wasn't playing a bit of April fool on the ol' fella...no matter, it would be a good topic in future years to have a little contest on guessing what date the ice would disappear from Lake Margrethe...

It may help with those winter blahs to take your mind off winter and think spring...it would be something like taking out a ninety-day note at the bank on January 1st...you will really find out how fast winter goes...

We would like to hear from anyone who may know of an earlier date for the ice to disappear from the lake...

We're starting to count the days until we leave for Nevada...this is the latest we have gone out there and we have been wondering if we will get more of a tan following our bride through the tunnels of slots in the casinos...I feel like a bodyguard to her, only because, I don't want her to lose our plane fare back to Michigan...

Sometimes she has gotten carried away...like the time I stopped by HER one armed bandit, and found she had won a few bucks...I said, time to leave, she said, oh no, the machines hot...we left a couple hours later, with less than she started with...

Speaking of water, Dane has put in a small pool for Amber...we'll let you know if we get our ankles wet...one thing is for sure, it will be a bit warmer than Margrethe...

The following we are going to reiterate in part from a column last year about this time...

Time, it's now clean-up time, from the winter debris, and the junk that the winter snows covered from your eyes...just in case you missed the two city notices on the front page last week, the don'ts are:

Don't put garbage, limbs and all sorts of debris at any time you wish whether it is Tuesday, Thursday or any day but the proper day...

This is the time of year for people to start to work on their property in cleaning it up and sprucing it up following the doldrums of winter but, the city has their curb side pick up on Monday...not on a hit and miss day...

Don't put leaves and other debris in the gutters of the streets, when it rains it all goes into the drains and clogs up the sewer which adds to the expense of the city in cleaning them out...

Going to cut the turkey short to enable to use the cartoon below...our question? what's a refund?...goodnight T.J., Stefany and Amber, will see you soon...to all have a nice weekend...

### THE VIRGIN MARY

"The virgin's name was Mary. And the angel came in unto her, and said, Hail, thou that art highly favoured, the Lord is with thee: blessed art thou among women." (Luke 1:27, 28). May we all give to the virgin Mary the highest honor ever given to any woman in history. But, is Mary more than the greatest among women? Is she more than human?

1. Was Mary sinless? "And Mary said, My soul doth magnify the Lord, And my spirit hath rejoiced in God my Savior." (Luke 1:46, 47). Only sinners are in need of a Savior. Mary was admitting what all of us must admit. "For all have sinned, and come short of the glory of God." (Romans 3:23). Mary also proved she was a sinner by the offer of a sacrifice for her purification in accordance with the law of Moses. (Luke 2:21-24). Although Mary was a virgin prior to the birth of Jesus Christ, she was not a perpetual virgin, since Joseph and Mary had other sons and daughters. (Matthew 13:55, 56).

2. Is Mary an advocate or mediator when we approach Christ? "Then came to him his mother and his brethren, and could not come at him for the press. And it was told him by certain which said, Thy mother and thy brethren stand without desiring to see thee. And he answered and said unto them, My mother and my brethren are these which hear the word of God,

and do it." (Luke 8:19-21). If Mary and the half brothers of Jesus could not gain access to Jesus among the the human throng, how much less can she gain access before the angels surrounding Him on His throne in heaven? Our access to Jesus Christ is through God's Word, not the virgin Mary.

3. Is Mary honored in the presence of Jesus Christ today? "And it came to pass, as he spoke these things, a certain woman of the company lifted up her voice, and said unto him, Blessed is the womb that bare thee, and the paps which thou has sucked. But he said, Yea rather, blessed are they that hear the word of God and keep it." (Luke 11:27, 28). Our spiritual blessings come from honoring God by hearing and keeping God's Holy Scriptures, not by honoring the virgin Mary.

Jesus Christ is the only mediator between God and man. "For there is one God, and one mediator between God and men, the man Christ Jesus; Who gave himself a ransom for all, to be testified in due time." (1 Tim. 2:5). Jesus said, "Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life." (John 5:24).

## Commission on Aging

The Senior Companion Program is looking for volunteers! The Area Agency on Aging (NEMCSA) has received a Demonstration Grant for the establishment of Senior Companion Programs in the Region. Crawford County will be the first county to start a Senior Companion Program.

Persons interested must be 60 yrs. of age or older; meet low income guidelines; be in reasonably good health; and be willing to work with older persons. The benefits include \$44.00 a week (tax free with no penalty to other benefits), a yearly physical exam and transportation assistance. Volunteers would serve 20

hours per week visiting 2 to 4 older persons helping them do the things they cannot do alone: Be a companion to them, listen, play cards or games with them, write letters, walk, talk and be a friend to them.

Training will be provided for the Senior Companions. If interested in the program, please contact the COA office for more information (348-7123 or 348-8031).

**COMING ATTRACTIONS**

## Imported Houses

The Japanese are about to invade the billion-dollar U.S. market with manufactured homes that may prove to be the Hondas and Toyotas of the housing industry. With computer designs and robotic assembly, Japanese homes offer better quality and more variety than American-made houses.

## American Viewpoints

The income tax has made more liars out of American people than golf has. Even when you make a tax form out on the level, you don't know when it's through if you are a crook or a martyr.

Some call them honkers, ornithologists call them Branta canadensis. It matters not what you call the Canada goose. There are eleven subspecies of Branta canadensis which vary in size from the duck-sized Cackling Goose who weighs two and a half pounds, to the Giant Canada Goose who may weigh up to eighteen pounds.

The Canada's are probably among the first to feel the migratory impulse. They follow close upon the heels of the retreating ice and snow, keeping in step with the 35° isotherm as they move north. They are the only birds who fly in series V formation. They do not always do so, but over long distances flocks tend to stay in the V shape.

Once the flocks reach the northern nesting areas they separate into mated pairs, seek out dry and protected nesting sites. There two to twelve eggs are laid and upon hatching the pint-sized gosling, is a voracious eater of grass, weeds and insects. In eight weeks, its weight will have multiplied twenty-four times.

For a six week long period the adults are flightless since they are molting, but by late August both the adults and young are ready to begin their journey south, to leave us again in wonder at their passage.

Auxiliary News**by Laurie Jensen,  
P.R. Director

This Wednesday, April 9th at 7:30 p.m. is our Auxiliary meeting. Ladies please try to be in attendance.

Parents, have you bought an Identi-Kit yet for your child? Grandparents have you bought your grandchildren one? This is something that must be taken seriously. You never know if something will happen to your child or grandchild. Please call our chairman Keli Alimenti at 348-8533 or Roselyn Johnson at 348-7756. DO NOT put this phone call off. Everyone that has this kit can come down to Grayling's American Legion Post 106 this Saturday, April 12th from 1:00 - 3:00 p.m. Jim Besonen from the Michigan State Police Crime Lab has graciously offered to fingerprint each child that has this kit. I feel this is one investment each parent should very seriously consider making.

In this day and age if I had a child there would be no doubt in my mind, I would have an Identi-Kit and have my child's fingerprints taken. Please call Keli or Roselyn now. Do not put this phone call off, you need all the help you can get if your child is taken.

Ladies, have you ordered your flannel lined jackets yet? We in the Auxiliary have our very own jackets. These are white with navy blue lettering. These jackets are only \$20.00. We would like you to order your jackets now so that we can have a number of ladies in our jackets marching in the Memorial Day Parade. Call Roselyn at 348-7756 to order your jacket.

no matter what the problem  
she will always understand.  
I hold her when I go to bed  
I see her in my dreams,  
and if I have a nightmare  
she understands my screams.  
When I get my feelings hurt and Mommy says  
not now, I'm busy don't you see,  
I go find my dolly  
she never turns her back on me.

### An earring heads for court

by Richard Millman

SOME RANDOM NOTES from all over, but — purely coincidentally — mostly from Florida...

IN BOCA RATON, there's the case of the 14-year-old bagboy at a supermarket who insists that it is his right to wear an earring on the job, while the store management insists it has the right to say "no way."

At last look, the young man kept showing up for work, and the store kept telling him to go home. The store didn't come right out and fire him, but kept telling him that as long as he wears the earring, he can't carry groceries out to the customer's cars. What's more, the boy's mother is right behind him, contending that public trends change and policies should, too.

The young man thinks he has a case of sex discrimination, and his mother is thinking of filing suit.

MY QUESTION is whether the courts should get involved in something like this. Isn't this one reason our courts are so jammed?

Why can't both sides sit down and hammer out the problem? Why doesn't the boy quit and find another job, or bow to the boss and only wear the earring after hours?

Or why doesn't the store recognize today's shifting standards? What's wrong with an earring on a boy, any more than on a girl?

But mainly, why can't the matter be settled outside of the legal process? That's one of today's great dilemmas, in a nutshell.

BUT WAIT...there's more.

The store says it wants to settle, but thinks that the media is somehow at fault.

A store official named A.J. Montgomery said he felt the media "ought to encourage a reconciliation in this matter. Instead of being spokesmen of the gloom and doom mentality, they should give some positive

reaction."

Montgomery concluded: "I really believe the media has a moral duty to try to heal this thing."

Now, wait a minute. Since when is the media responsible for earring arbitration? The media meddles too much already in too many cases. The media's main job is to report the news, not "heal this thing."

That's another sad trend today: Blame the media.

FURTHER NORTH, but still in Florida, another "blame-the-media" approach has surfaced. At Cape Canaveral, Richard Smith, space center director, said media coverage of the Challenger accident has been distorted and has caused the public to unfairly question the integrity of the space agency and some of its officials.

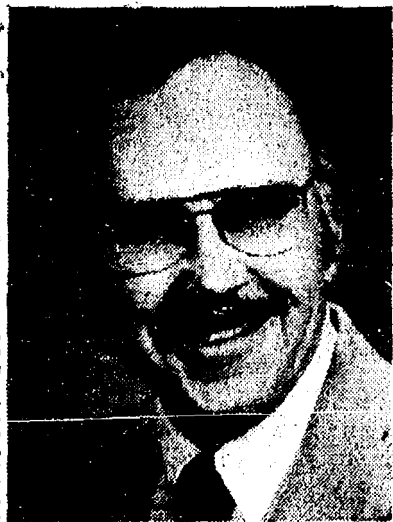

Some space officials even indicated that fear of media criticism may have influenced the decision to launch when there was some doubt of safety.

Well, if that's the case, those who made the decisions should be ridden out of power fast. Afraid of criticism? Sacrifice safety for fear of media questioning? Let's hope it's not true.

OVER ON THE other side of Florida is another problem. Remember a few years back when a wayward freighter crashed into the Sunshine Skyway Bridge near Tampa, taking out one whole section and causing 35 deaths?

Well, they're rebuilding the bridge, coming out from both ways on the restructured span which rises 175 feet above Tampa Bay. But there's a slight problem. The two ends don't meet — they're 2½ inches off.

Now we know what happened to those guys who were building the Zilwaukee Bridge and the Detroit People Mover. They moved to Florida.

### Minorities Reach New High In State Work Force, Average Age Increases

Warren M. Hoyt, Exec. Dir., MPA

The number of minorities in Michigan's state work force increased during the 1984-85 fiscal year, the turnover rate dropped to a new low and the average worker's age increased, according to statistics in the Department of Civil Service annual work force report, released recently.

The average number of total state employees for the year was 58,283, down 37 from the 1983-84 average of 58,320, the report showed. But at the end of the fiscal year, total state employment increased to 59,788, the result largely of the Department of Corrections hiring 1,113 persons to staff new prisons.

Most of the rest of the sudden increase came from persons hired to replace employees who left under the state's early retirement program.

When part-time and seasonal workers and overtime pay are equated to full-time employees, the state work force increased from the prior year by 3.4 percent to 60,245.2, the report said.

The state payroll was \$2.03 billion, an increase of about 6.8 percent while total state expenditures increased about 5 percent.

Minority representation in the state work force increased to 23.1 percent during 1984-85 compared to 22.1 percent in 1983-84.

The percentage of minorities in the entire state population is 16 percent, the report said. Black employees made up 19.5 percent of the total work force, Hispanics 1.6 percent, Asian and Pacific Islanders 1 percent, and American Indians 1 percent.

The Department of Civil Rights had the largest percentage of minorities working at 60.9 percent, while the attorney general's office had the fewest at 7.7 percent.

Minorities were best represented in the upper salary range, where they accounted for 44.1 percent of the workers making over \$70,000 a year, due primarily to mental health professionals.

Asian Americans comprised only one percent of the state work force, the report said, but are clustered in high paying jobs such as psychiatrists with the Department of Mental Health.

Included in that upper earning strata were 85 Asian males and 44 Asian females. Others in that bracket included 155 white males, 30 white females, 8 black males, 2 black females, 6 male Hispanics and 1 female Hispanic.

The average state worker earns \$24,749 a year, with additional fringe benefits worth

\$9,256. The lowest salaries paid were between \$6,000 and \$7,000, while the highest salaries paid were between \$95,000 and \$96,000.

Asian males had both the highest median and highest average salary, \$32,972, and \$42,823. Hispanic females had the lowest median and average salaries, \$19,871 and \$20,262 respectively.

Median salaries are the dividing line between equal numbers earning higher and lower amounts. Averages are the total payroll of a group divided by the number of workers.

Other median/average salary levels were: white males \$26,074/\$27,768; white females \$20,838/\$22,352; black males \$22,253/\$24,578; black females \$20,900/\$22,051; Hispanic males \$22,449/\$24,956; Asian females \$26,879/\$36,767; American Indian males \$21,974/\$23,220; and American Indian females \$20,456/\$21,109.

The statistics also showed that the ratio of state employees to 10,000 state residents dropped to 164 per 10,000, compared to a national average ratio of 166 per 10,000 persons.

The report cited figures from the U.S. Department of Commerce showing that 37 states had a higher ratio of state employees to 10,000 residents. Alaska had the highest ratio of employees to 10,000 residents with 489 workers while Florida had the lowest at 120 employees.

Women made up 52.9 percent of the work force, while handicapped employees accounted for 9.7.

The report also showed that the average age of a state employee increased to 40. And the state's turnover rate fell to its lowest ever of 6.4 percent.

In 1983-84 the turnover rate was 9.2 percent, while the highest rate ever recorded was 38.2 percent in 1943. Meanwhile layoffs of state workers were just 326, a 92 percent reduction compared to the 3,922 laid off in 1981-82.

## Meadow Brook Theatre To Present "The Good Doctor" In Roscommon This Month

Meadow Brook Theatre — Dona Werner and James Anthony have leading roles in "The Good Doctor" by Neil Simon, which will be presented by Meadow Brook Theatre on April 26 at 8:00 p.m. at Roscommon High School Auditorium in Roscommon. Tickets for "The Good Doctor" will be available at Flowers by Josie on April 12. Meadow Brook Theatre is a cultural program of Oakland University.

Neil Simon's "The Good Doctor", a comedy based on short stories by Chekhov, will be presented by Meadow Brook Theatre players on Saturday, April 26, at 8:00 p.m. in the Roscommon High School auditorium.

The performance will benefit the Scholarship Fund of the Roscommon Chamber Music Society Arts Council.

In "The Good Doctor", Neil Simon, the most successful playwright in western history, adapts nine short stories by the great Russian writer Anton Chekhov. By adding the "Simon touch" to Chekhov's funny, touching and sometimes farcical stories, he turns them into fast-moving vignettes with surprise endings that leave you wanting more.

James Anthony appears as Chekhov himself, acting as host, narrator and participant in some of the sketches. Anthony has an extensive list of credits in off-Broadway and regional theatre, including five Neil Simon plays, three as an actor and two as director.

Juliet Randall, one of the two female leads in "The Good Doctor", has been a leading player at the Phoenix Theatre in New York, the Missouri Repertory Theatre and Shakespeare festivals across the country. She has also been an artist-in-residence at Stanford.

Dona Werner, the other female lead, played the title role in "Romeo & Juliet" this year at Meadow Brook and was also in "The Miser." She comes from Minneapolis where she has acted and taught at the Guthrie Theatre.

Donald Ewer and Joey Golden round out the cast. Ewer was in Meadow Brook's tour of "Taking

Steps" last season. He's a veteran of Broadway and six seasons at Stratford. Golden is a Detroit native living in New York. He was seen at Meadow Brook this year in "Romeo & Juliet", "Present Laughter" and "A Christmas Carol". Golden toured in 1984 with Meadow Brook in "Candida."

East Coast director-actor Carl Schurr, who staged "The Good Doctor", has directed and acted in some of Meadow Brook's most successful plays. In addition he directed star packages of "Catch Me If You Can" with Ray Walston, "Hotline To Heaven" with Tom Ewell, "The Tender Trap" with Tab Hunter, "Never Too Late" with Eddie Bracken and "The Seven Year Itch" with William Christopher, plus more than 20 productions at Washington's Hayloft Dinner Theatre.

As an actor Schurr toured nationally with Jean Stapleton in "Daisy Mame" and "The Showoff". Schurr is a

native of Port Huron and a graduate of the University of Michigan.

Meadow Brook Theatre's production of "The Good Doctor" is on tour with the support of the Michigan Council of the Arts.

Meadow Brook Theatre is a cultural program of Oakland University, Rochester, Michigan.

Tickets for this performance will go on sale April 12 at Roscommon Hardware and Gifts, Flowers by Josie in Grayling and, on the night of the play, at the auditorium door.

### Dual Career Dilemma: Are Women Coping Better?

By Gail Edwards  
Extension Home Economist

The media have given much attention to the dual responsibilities that women face as workers and mothers. With all the self-help material, workshops and other resources available, are women handling their dual role better today than a few years ago?

Not really, says Anne Soderman, Extension specialist in human development. "Despite the women's movement and changing relations and responsibility for managing their homes along with their careers".

Balancing the roles of worker, homemaker and mother has always made for a difficult and stressful situation. Today women are advancing to higher career levels than ever before, and they want to stay in their career track. Unfortunately, this only adds more stress to the juggling of career and family life.

The fastest growing group of women with careers are those who have children 6 years old and younger. Many marriages fail during the first seven years, so many women with these small

children are single.

It's hard to find child care situations where the person in charge shares the same values, nutritional standards and disciplinary attitudes as the parent. Yet many women have little choice when deciding on child care because good quality care is hard to find and quite expensive.

How can women deal with the stresses of multiple roles? Soderman suggests women examine a few options. If possible, lessen work commitments or work part time when children are small. Talk to employers about child-related benefits and a possible day care center at your work place. If possible, spend more on child care or hire a nanny to provide in-home, personalized child care.

Many people of course, simply cannot afford to hire a nanny or to work part time. Some families, however, spend more money on cars, vacations and home furnishings than they do on child care. It may be that family spending priorities need to be re-examined and re-allocated.

## "Showcase" To Premiere Sunday, April 13

The Crawford County Arts Council is proud to present "Showcase", a performance featuring very talented people from the Grayling area. "Showcase" will be presented this Sunday, April 13, at 4:00 p.m. in the main dining room of the Chief Shoppenagons Hotel. "Showcase" will also feature an art exhibit in the Hotel lobby. The exhibit will include Ukrainian Egg Art; artist, Marjorie Len. Native American Art; artist, Robin Meneff. Student Art displayed by middle school and high school art students; teacher, Lynn Thompson.

Amy Denton

Amy Denton will also be performing Sunday. As Dorothy, from the Wizard of Oz, she'll perform a narrative ballet. Amy is fifteen years old, currently a freshman. She has studied dance since the early age of six. She started with ballet and tap in Jackson, Mich. under the instruction of Frieda Harris. Three years later she moved to Grayling and has been studying dance ever since with Louise Tournaud Hayes. Amy has been assisting Ms. Hayes the past three years teaching. Amy has had many parts in the past recitals and this year will dance the main part of Dorothy, in "The Wizard of Oz", choreographed and directed by Ms. Hayes.

Mike Cerven

One of our very special featured guests performing on stage will be professional musician, Mike Cerven. Mr. Cerven will play the harmonica and the musical saw. Mike started his career when he was seventeen, attending Hull House Music Academy in Chicago. Mike says it was just like the school in the T.V. series "Fame". After graduation he played for variety shows on both WLS and WSBC radio stations in Chicago.

He has played with such famous artists as Tex Ritter, Mel Torme, and The Hoosier Hot Shots on the Barn Dance at the 8th St. Theatre on WLS, Chicago. He played with Johnny Puelo and the Harmonica Rascals in the movies. He has played with the Sons of the Pioneers and in the 1950's he and two other harmonica players formed the original "Harmonicats" who became famous with the hit record, "Peg 'O My Heart". Mike did much of the arranging for the group and played lead chromatic harmonica. The Harmonicats stayed together for seven years. Since that time Mike has continued to play both the harmonica and saw for many events. Mike has now retired to the Grayling area. You will not want to miss this opportunity for you and your family to hear the unique and talented style of musicianship on the harmonica and saw.

The Avalanche —

Wayne Hindmarsh

Another talented performer appearing in "Showcase" will be Wayne Hindmarsh. Wayne started studying at the age of nine. During high school he played with a sixteen piece big band and during his early college years Wayne played with a four piece band. He has continued playing through the years, mostly as an accompanist and teacher. He just recently finished graduate school at CMU and is now working as Director of Corporate Services for Continental Cablevision in Lansing, commuting to Grayling on the weekends to be with his family. We are pleased to showcase Wayne playing classical piano for our performance April 13.

## Worried about having to choose a long-distance company?

There's lots of confusion these days over how, when, and why you *must* choose a long-distance company to handle your "one-plus" calls.

(Actually, many people have already chosen the long-distance company they want to use. And, of course, you may sign-up with companies serving your area anytime you wish.)

The confusion is coming from all the ads telling you that if you don't choose, someone else will do it for you. They're talking about the new service called "equal access." With equal access, you must choose the company you want to handle your direct dialed calls.

But don't panic. You *don't* have to do anything until you hear from us. Since we are the ones to make equal access available in your area, you

can bet that nothing will happen until we've notified you.

(Some areas may never see equal access. That's because long-distance companies may choose not to offer the service in all locations.)

If your town is one of the ones to get the new service, we will send you all the information you need to make a decision...

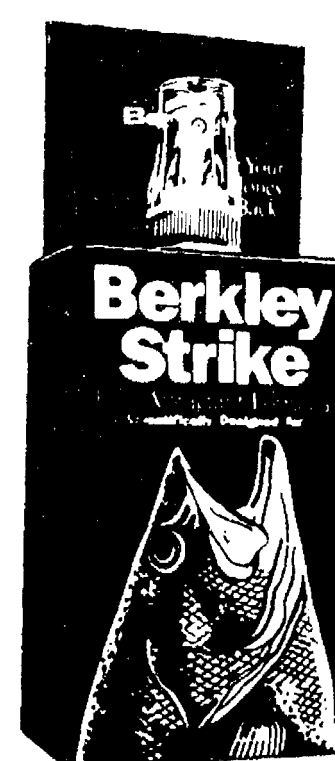

We'll send you a package explaining the how, when, and why of equal access. It will tell you exactly what you must do. And when you must do it. In fact, it will even include a ballot to make it easier for you to notify us of your choice.

But, until then, you *don't* have to do a thing. So sit back, relax. Your long distance service will be the same tomorrow as it is today.

## Visual Arts at "Showcase"

The Crawford County Arts Council will be presenting visual artists, along with performing artists at its "Showcase". The visual artists will be Robin Menefee: Native American Sweet Grass Baskets; Marge Len, Ukrainian Egg Painter; Middle and High School student artists. These exhibitions will expose these talented visual artists to our community.

### Robin Menefee

Robin Menefee is a Native American, who makes Sweet Grass Baskets. This tradition has been passed down from generation to generation. He's a recent graduate from Central Michigan University and currently is the director for the Native American Arts & Crafts Council. This newly formed Indian organization will be actively demonstrating, exhibiting and promoting the Native American arts and crafts throughout the state. The arts and crafts that will be available through this organization are: baskets, porcupine quill boxes, leatherwork, beadwork, along with many other craftworks. For further information, please call or write the Native American Arts & Crafts Council: Robin Menefee, P.O. Box 1049, Grayling, MI. 49738. Tele. (517) 348-3190.

### Marge Len

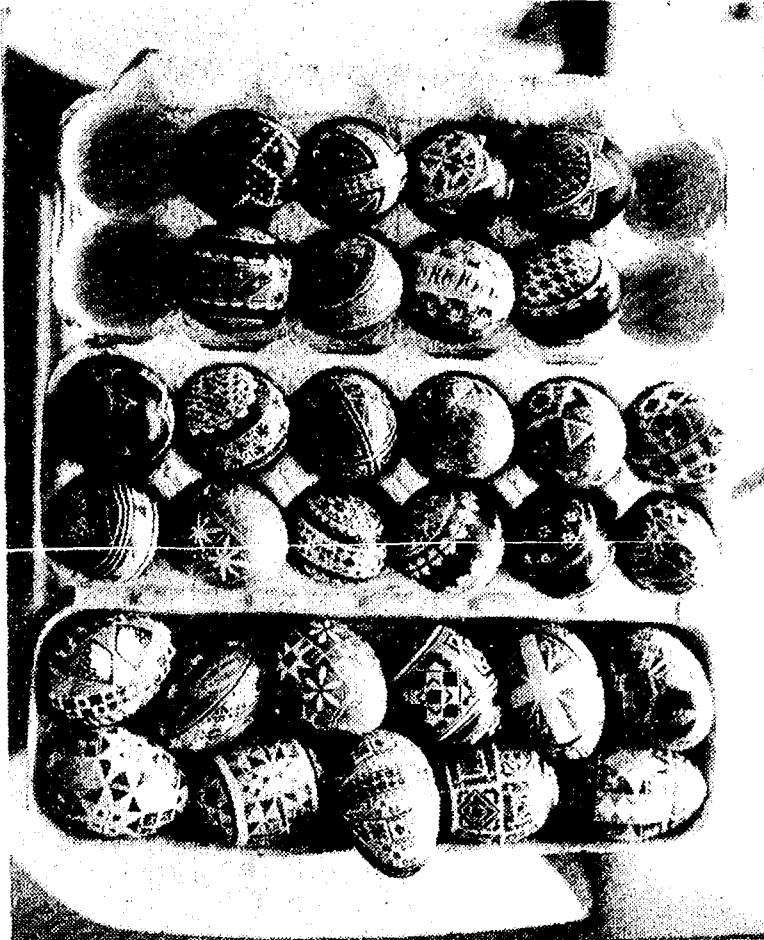

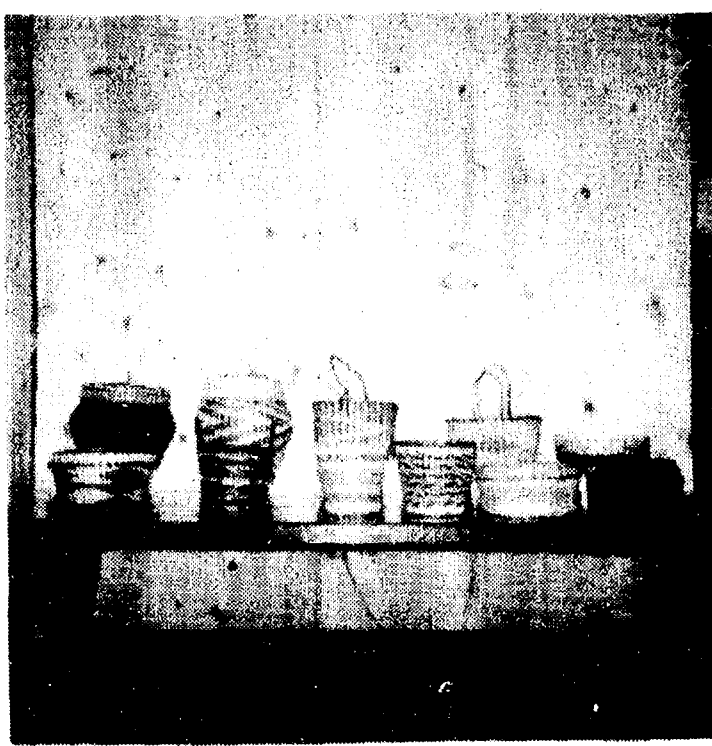

Marge Len, is a nurse at the Family Practice Clinic, who has been painting eggs since she was four. This method of wax and dyes to create these traditional masterpieces has been passed down through many generations in her family. It takes Marge about three hours to draw and dye intricate designs on one egg. Each design and symbol on an egg has many legends behind it. Once the eggs are decorated, the inside is blown out through a tiny hole. The eggs that are used are Goose eggs, Pallet eggs and even Ostrich eggs.

Marge has been keeping her proud tradition alive by teaching classes at Crawford AuSable Schools and other places in the area, along with teaching this art at her home.

### Lynn Thompson

Lynn Thompson, art teacher for the seventh through twelfth grades in Crawford AuSable School systems will be displaying her students artwork at "Showcase". These artworks will cover a wide range of artworks.

Don't miss these talented visual artists displays and the other performers on April 13th, when the CCAC present "Showcase" at Chief Shoppenagons Hotel. Finally, the Native American Baskets will be on sale to the public.

## Herbal Corner

Ever wonder how our ancestors got along without our bottled facials, our sophisticated shampoos? What about our permanents?

Every once in a while a little old lady will come in and look at the Flax Seed in the spice rack and say, "Edna, do you remember using this to perm our hair when we were children?" This little old lady was not wrong. When Flax Seed is put in Rosemary Tea it creates a mucilaginous water (water that feels thick and slimy). A comb is dipped into this water then used to comb the hair before curling. The Rosemary helps the hair to keep its curl, and the Flax Seed makes a stiff curl. I tried the Flax Seed by itself and I was reminded of a commercial product I used while in high school (never mind how long ago, darlin'). My hair combed out curly as promised, but it did not stay - which is why Rosemary is used.

Gum Arabic and Gum Tragacanth were also used in hair-setting recipes when mixed with scented waters such as rose, lavender, or rose geranium. Carrageen was also used in hair-setting

lotions.

Carrageen is a thickener, which is why it is used today in yogurts, sour creams, some salad dressings, etc. Does that surprise you? Carrageen is commonly known as Irish Moss - an edible North Atlantic seaweed. Carrageen is also used in jellies and jellies.

I remember the first time I gave a lecture on natural foods. I spoke on what people are eating in the commercial foods and showed them on the labels. About a month later one of the listeners came into the store about 25 pounds lighter. She told me that she was so afraid to eat anything except scrubbed fruits and vegetables that she inadvertently learned how to eat healthy and felt great with the weight loss. I am sure she ate more than that, but you get the idea.

Herbally yours,  
E. Diona Cerelli, C.H.

### Outdoor Furniture

The canvas, plastic or cord webbing on outdoor furniture can be kept clean with warm detergent or soap suds and brisk scrubbing. Always rinse well, and wipe off excess water.

## Adult Health Screening Program

The Crawford County Commission on Aging is investigating the possibility in cooperation with the District Health Department an Adult Health Screening program on a quarterly basis.

The screenings would involve height and weight check, urinalysis, heart rate and blood pressure, vision and hearing test, glaucoma test, hemoglobin blood test, glucose test (blood), hemocult II test (stool blood test), breast examination, visual and tactile oral examination (check mouth for sores or other dental problems).

The screening would be on a first come, pre-registration basis with a donation of \$8.00 - \$10.00 to cover cost of materials. This would be available to all persons 60 years plus, regardless of income, with the only requirement being pre-registration and limiting the number to 16 per quarter. Individuals would be allowed one screening every two years in order to serve the largest amount of persons.

We need input from the senior population in the county on whether there is an interest for this type of program.

Your opinion on this possible addition to COA programs would be most appreciated. Please call 348-8031 if you'd be interested in participating or just to let us know if you feel the program is necessary.

## Secretary's Luncheon

Area businesses begin each day with a very special dependency on employees, who perform well, are loyal, and help a business grow & prosper. How often do you remember to say "Thanks!"

The Annual Secretary's Luncheon at the Grayling Holiday Inn is your opportunity to do just that. Plan to bring as many of your staff as you wish to the Holiday Inn on Tuesday, April 23, 1986. Luncheon will be served at 12 Noon sharp, with doors open at 11:30 a.m. (cost of the luncheon will be \$6.00 per person, including tax & gratuity). A short program will be presented by the Elementary School Choir under the direction of Peggy Emerick, and will conclude no later than 1:30 p.m.

Make your reservation today! Please call 517-348-7611 Grayling area or 800-292-9055 outside of Grayling, extension 304, Grayling Holiday Inn.

## What's A Tree?

What are trees for? Trees are for boys to climb, for cats to get caught up in, for hunters to hide behind, and squirrels to live in.

Trees are to catch kites, for people to look at, to hang swings in, to pitch tents under, to make houses to live in.

Trees make an open field a park. They beautify a street, make a house a home, absorb sound, slow down the wind, settle the dust.

Trees are for picnics, to buffer the raindrops, stop erosion, hold the snow, provide fiber for wood products.

Trees keep us warm and cool. Shade trees cool the summer breezes, and windbreaks temper winter freezes. A large tree cools the air by 20 degrees below its canopy, and the cooling power of a tree is equal to that of a ten-room air conditioner operating 20 hours a day.

Trees are necessary for a balanced environment. A full-size tree absorbs carbon dioxide and produces enough oxygen to offset the effects of one man's breathing, while twenty trees absorb the combustion by-products from five gallons of gasoline.

Think now for the future. Tree seedlings of various species suited for this area are available through the Crawford-Roscommon Soil Conservation District program at a very low cost. 409 Lake Street, P.O. Box 156, Roscommon Mi. 48653 or phone 275-5231 for information and order forms. Office hours are weekdays 8:00 a.m.-1:00 p.m.

### Wax Concrete

Apply a coat of self-polishing floor wax to a clean concrete floor to keep down dust. The wax will also make the concrete less absorbent.

## Grayling Lioness Club

The Grayling Lioness Club meeting will be held on Wednesday, April 9 at the Chief Shoppenagons Hotel. Dear Sir,

I recently wrote a letter to Mr. Opre complaining about his biased coverage of the AuSable River No-Kill issue. I received a very unsatisfactory reply from your Sports Editor, Mr. Robinson. This letter stated that Mr. Opre goes to great pains to cover both sides of the issue. He may have covered both sides of the issue but he certainly didn't report it fairly or accurately.

Mr. Opre only reported partial statements and quotes that allowed his opinions to come across brilliantly and our opinions to sound like uneducated, self-serving trash. Over the last few months Mr. Opre has given "facts and statistics" that are ludicrous. Catch and kill stats that convince me that Mr. Opre knows extremely little about fishing and even less about fly fishing on the AuSable.

Where in the world does he get his figures? On one occasion he stated that less legal fish were caught on the "Holy Waters" stretch by all fishermen than were caught by six dozen members of our group. Come on now, we are trying to be reasonable, Mr. Opre is being ridiculous.

I live in Crawford County because of the outdoors, the river, and the great community we have up here. I am the Director of the Car-

Mr. and Mrs. Tom Hilton of Lansing spent the Easter weekend with his parents, Mr. and Mrs. George Hilton.

Ron and Carolyn Rakoczy spent fifteen days in London, England visiting her daughter and family, Stacie and Steve Hermiston and Katie. They did a lot of sightseeing at the usual tourist places and visited Bath and much of the English countryside.

The 80 or Over or Handicapped Party which was scheduled for this Sunday, April 13th, at St. Mary's Family Center has been Canceled.

Members of the Harry Hoerl family met in Caro for their Easter Sunday dinner. Hosts were his granddaughter, Lynn Morris and husband, Roger. Attending were John and Shirley Linendoll, Mitch, and Harry, Joyce and Jim Kolka, and Nancy and Jim Hatfield and two children of Grayling. Meeting the rest of the family there were Sheri and Mike Auman and son, Brandon and Lori Wildauer, all of Ann Arbor. On Monday, the Linendolls left for Gatlinburg, Tennessee where they spent until Saturday. They also stayed overnight in Ann Arbor with Sheri and family.

On Saturday, March 15, John and Shirley Linendoll were hosts for forty-one members of their family and very close friends at a dinner party at the Arrowhead when they celebrated their twenty-fifth wedding anniversary. Flowers decorated the tables and they had a most enjoyable dinner and evening.

Bernie and Donna Pottorff and daughter Terri, spent a couple of weeks vacationing with their families. In Olney, Illinois, they visited her parents, Bob and Ruth Phipps, and in Dundas, they visited his parents, IV and Evelyn Pottorff. Donna's parents joined them for a while at Kentucky Lake, Kentucky.

Mrs. Ann Gorney and Harold Graves have returned home after spending the winter in Bonita Springs, Florida.

Grayling Youth Booster Club will be holding their Annual Swiss Steak Dinner Saturday, April 26, from 4:30-8:30 at Patty's Country House. Adult \$5.00, Children 10 and under \$2.50.

Don and Elsie Jansen were accompanied to Florida by Glen and Elsie Nolan, former Grayling residents, now of Lansing. They stayed with Mrs. Nolan's sister, Mrs. Charles Warner in Bradenton and also visited other Grayling people including former residents, Olie and Dottie Williamson.

Dave and Elaine Jansen, Kevin and Kelly spent the Easter vacation in Florida with her grandmother, Mrs. Enola Goss in Clearwater.

dioPulmonary Department at our local hospital and a local business owner. I am an avid fly fisherman, but more so, an avid fisherman of any kind. I have raced in the AuSable River Marathon four times, completed it once and this year will be my fifth attempt. I have also run and finished in your fine Detroit Free Press Marathon three times. I have been tying flies for over 15 years. (Much longer than a certain person constantly quoted in Mr. Opre's column). I used to tie flies on a small scale for Cal Gates Sr. who was an avid fly fisherman and river guide, as were most of Cal's sons. It is my feeling that the current owner of Mr. Gates lodge developed an interest in fly fishing only in recent years and it was predominately financially motivated. Not necessarily in the best interest of our community.

The reasons I have included my interests and activities is to make you aware of how much I love the AuSable River and care about its future and enjoy the Detroit Free Press and the activities it sponsors.

I am not at all satisfied with your Sports Editors reply. I don't know if that concerns you or not. I have received numerous favorable comments about my previous letter to you. I'm sure there are also people that disagree with my view. I have taken your sports editors letter to an open meeting of the Citizens to Oppose Catch and Release and their concerns were the same as mine.

Sir, we have support of many respected congressmen, including Senator Connie Binsfeld. Our group is more than a couple of angry uneducated Crawford County residents. Mr. Robinson should realize that there are two sides to an issue. Mr. Opre has reported it to reflect that there is his side and the wrong side with his elitist, arrogant, self-serving style.

I respect the opposing arguments to this issue but because of the reporting done, by Mr. Opre, I feel a great deal of people have been misinformed.

In the interest of ethical journalism, why don't you send a reporter (Please NOT Mr. Opre) to one of our meetings and report how the "other half" think and feel.

Respectfully yours,  
Bruce McGuire

## Forensic Team Wins at St. Francis

**TRAVERSE CITY ST. FRANCIS WINNERS** — Left to Right: Kathy Allen, Erin Hickey, Jeff Martinez, Donn Broeker, Karl Schmidt, Amy Smith, Jeff McLaughlin, Kristin Lademan, Kim McDonough. Not pictured: Lori Dean.

The Grayling High School Individual Speech Events team competed in the Second Annual Traverse City St. Francis Invitational for the 2nd year on Wednesday, March 5.

Coming away with individual honors were: Kim McDonough (Jr.), 1st place in Extemporaneous Speaking; and Erin Hickey (Jr.), 2nd place in Storytelling.

Also, both Amy Smith (Jr.) and Karl Schmidt (Jr.) placed in Dramatic Interpretation, with Amy capturing 1st and Karl taking 3rd.

Two GHS Duo Interpretation teams placed: Kristin Lademan and Jeff McLaughlin (both Jrs.) won 2nd and Kathy Allen and Jeff Martinez (both Srs.) won 3rd.

The Duo Interpretation 9-10 team of Donn Broeker and Lori Dean (both freshmen) won 2nd place. This category, as its name suggests, is open only to freshmen and sophomores. Each year there are two areas of forensic competition which offer an additional 9-10 section to allow younger team members to break into competition against less experienced speakers.

**Russia's Namesake**  
 Many Western historians contend that Russia takes its name from the Rus, as the Viking adventurer-merchants who thrust eastward across the Baltic Sea before the mid-11th century were called.

## Frederic News

by Eva Hulbert

Thirty four for the Satellite dinner in Frederic. Hope to see more out and our south birds will be back. Everyone enjoyed playing Cardo. Florence Lange was our 50-50 winner. We welcome Jan Farley who will be the new Outreach worker. We're sorry that Dianne Broeker had to leave, she made many friends. Appreciate the help with Pauline Henton, our Blood pressure lady. Maxine Riegler my aide and to Vi Middleton our caller. We're back to the Hobby Club, and appreciate Maple Forest Township for the use of their hall, the last three months. Don't forget to pick up your bulletin, lots of information. Next Friday we go out to South Branch, anyone welcome, nice way to meet others, only remember, to call for reservation.

Any ladies interested in quilting, every Wednesday morning at 10:00, they work til 2:00, and Pete our chef has a nice lunch available.

COA meeting Thursday, April 10th at 5:30. Dinner at 5:00. Beef Tips, Boiled Potatoes, Fresh Spinach Salad, Asparagus, Jello/Fruit and juice.

Friday at 1:00 from the Rudyard High School Choral will be making a stop to sing, they're on their way to a festival. You got some time, come out and hear them.

Tues., April 15, 5:30 program "The House That Love Bought" movie program about the Ronald McDonald House. Come early for dinner at 5:00.

Wed., April 15, Birthday dinner for April and the movie "Oh God". Check bulletin and COA news for other interesting information.

Jim and Brenda Hulbert and their four girls surprised their family in coming for Easter weekend. Also visited Brenda's grandparents, Mr. and Mrs. Maurice Alma. A nice celebration was held for Ruby's birthday with her family, and we met our new granddaughter, Bethanie Marie Hulbert.

## Why Plant a Tree?

Trees are planted for many different purposes. Trees are somewhat unique since they are useful and provide benefits and value both while living and when harvested.

Species differ in their suitability for specific uses; but most of the objectives in planting trees are included in one or more of the following:

1. Wood Production - sawlogs, posts, pulpwood and poles.
2. Land Cover and Protection - to prevent or reduce wind and water erosion and stabilize soil.
3. Windbreaks - for protection of farmsteads, exposed buildings and fields.
4. Wildlife Habitat - to provide browse, food and improve environmental conditions for wildlife.
5. Recreation and Outdoor Living - to provide shade and enhance the aesthetics of recreational property.
6. Investment - Christmas trees and commercial harvest cutting.

Whatever your reason for planting trees, contact your local soil conservation district for information.

These 1-2 year old seedlings are 5-10 inches tall and are sold in lots of 25, 50, 100, 250 and 1,000. Also mixed packets of 50 plants are available.

Species for sale this spring are: red and white pine; blue, Norway and white spruce; hybrid poplar, autumn olive and a variety of wildlife shrubs such as

Russian Olive, crabapple, hawthorne, honeysuckle, redbud dogwood and Mt. Ash.

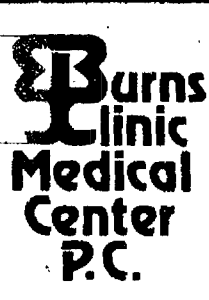

Also, hand planting is a service provided by a crew for a nominal fee.

So, don't delay - call today - Crawford-Roscommon Soil Conservation District; 275-5231; P.O. Box 156; 409 Lake Street; Roscommon, MI 48853.

We are open weekdays from 8:00 a.m. till 1:00 p.m.

### Not Crabs

Horseshoe crabs, which have remained largely unchanged for 360 million years and now live along the eastern coasts of Asia and North America, aren't really crabs. Their closest relatives are scorpions, spiders, and ticks.

## Step Up To an IRA

**That Gives You More Than High Interest!**

Some IRAs offer high interest. Others security. But with Northern Life's IRA you can have both. You'll earn an astonishing rate of 10.02%\* (that'll build your retirement fund fast!). Plus have the strength of a leading insurance company backing you up.

And while other IRAs hoot and holler about their tax advantages, Northern gives you the same tax breaks, and more. Like top investment experts, who help keep your earnings secure. And flexible retirement options.

To see how Northern's IRA beat the competition, give me a call. I'll show you how to step up to high interest crediting.

## Lofty Thinking

"As a man thinketh in his heart, so is he." (Prov. 23:7) Thoughts control actions; they are an extension of ourselves. When wrong thinking happens, wrong expressions often follow.

Negative ideas, birthed in the womb of frustration, destroy whatever they touch. Nothing positive is ever built on negative thinking.

People who make our world better are those whose thoughts elevate actions to noble levels. They believe "God can," and they also know that without God they cannot, and without them God will not.

But positive thinking creates positive actions. Jesus constantly moved people with, "Thou shalt," mostly eliminating the "Thou shalt nots" of faith.

Faith believes God's direction for His world is upward; that He places our feet on lofty places, and by His grace will take our positive thoughts and create beauty of life and in life.

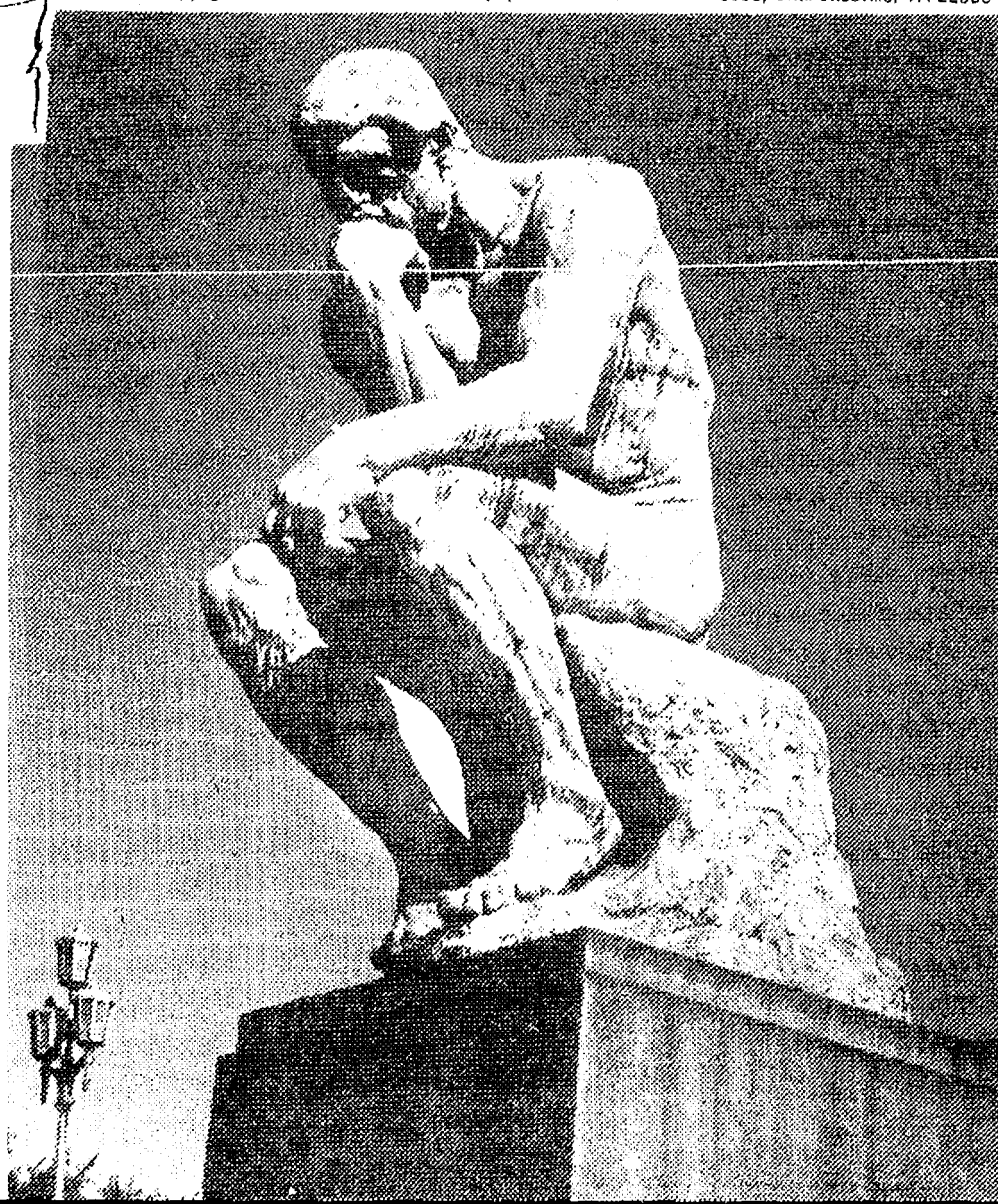

"Whatsoever things are true, honest, just, pure, lovely, of good report... think on these things." (Phil. 4:8)

## Volunteers on the Go!

Pictured above is Mrs. Sandi Hasson doing volunteer work in the Frederic Elementary Library.

Sandi Hasson is one of our newest school volunteers. She and her husband Gary recently moved to the Grayling area in November and they both are already getting involved in community doings.

Sandi is a volunteer library aide all day on Thursdays in the Frederic Elementary School. Some of her duties are repairing books, checking out reading materials, cleaning film strips, cataloging cards, filing, and typing. I also was told that Sandi likes to bake a treat to bring in for the teachers each week.

She has had some very interesting volunteer activities in the past; she's been a cheerleading coach for little league football, been in belly-dancing programs for Senior Citizens, and a March of Dimes mother. Her greatest interest is teaching the martial arts with her husband. At present they both teach Korean Karate and Aikido Japanese Budo. They also put on demonstrations in our area.

Her hobbies outside of the martial arts include swimming and boating. And at present Sandi and her husband are planning to build a "Dojo", which is a building in which they will be able to teach martial arts on a 7 day scale, hopefully this summer. She also has 5 children and 2 grandchildren.

When asked what she en-

joys about volunteering in our schools (which I felt must be quite calm, indeed) she said it has been a learning experience doing librarian work, the kids are great, and that it has been a completely different thing for her to get into. She added that she hopes to stay with our program next year and get into working in the remedial reading room where she can help students on an individual level.

She also stated that people should become school volunteers for a number of reasons; it gives you an opportunity to get out of the house, meet new and interesting people, and get involved in sharing whatever you may have, and it gives you a different outlook on things.

I asked Sandi how she liked the Grayling area so far and she said she likes the friendliness of the people, the beauty of nature around us, but needs time to adjust to the hard winters.

Well, Sandi, we are glad you came to Grayling and appreciate all that you are offering to the community. We especially say Thanks for Caring and Sharing with our young people. And you may even get to like snow!!

Why not give the school volunteer program a try. We can use and appreciate any time and all talents offered. Please call Mrs. Wolf at 348-7641.

### End Of Season!

## Travelogue Series To Close With Arctic Adventure

On Thursday evening, April 17, the 13th Annual Travel and Adventure Series sponsored by the Grayling Community Education Program will come to a close with an exciting film of Canada's High Arctic Islands. Appearing at the Grayling High School Auditorium on that evening will be Mr. John P. Wilson noted Canadian wildlife photographer. Doors at the high school will open at 6:45 p.m. and the travelogue will begin at 7:30 p.m.

To most people, Canada's High Arctic Islands are shrouded in mystery. On Thursday evening, April 17, travel with John Wilson from southern Newfoundland, north through Labrador, and into the High Arctic, to within some 400 miles of the North Pole. Your goal there will be to explore the landscape and photograph the wildlife of this far north region. Enjoy one of the most fantastic sights in the world, a spectacular panorama of mountains, glaciers and icebergs that can be found only "North, To The Top Of The World."

## Resource Review

by Bruce Patrick  
Conservation Officer

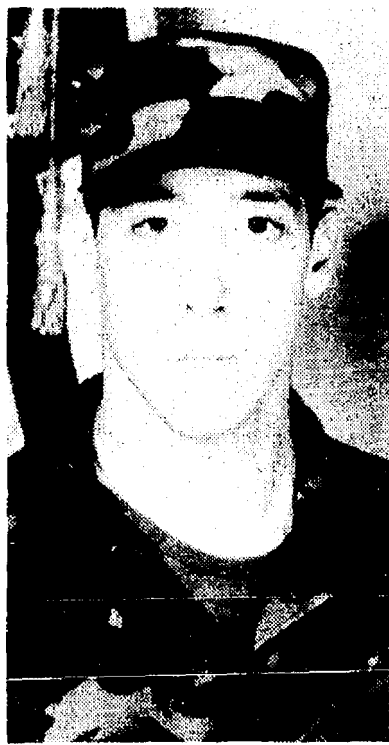

In a draft copy of a five year walleye management plan, Fisheries Biologist Jan Fenske has outlined her intentions for planting walleyes in various counties nearby. She points out that recent advances and improvements in our walleye rearing pond system has brought Fish Division to the point where production is consistent and many lakes can anticipate plants of walleyes.

Six criteria are evaluated in deciding which lakes will receive walleye plants: (1) suitable walleye habitat, (2) size of the lakes - over 200 acres preferred, (3) capability to maintain self-sustaining population, (4) previous walleye population, (5) need for additional predators and (6) geographical location. Of course, each of these criteria will not necessarily be met in every case.

If walleye fingerling production continues to be near the present 620,000 per year, Crawford County residents can look forward to plants of 60,000 walleyes in Lake Margrethe in 1987, 1989, and 1991. K.P. Lake could receive 5,500 walleyes in each of those years and Jones Lake is targeted for 2,000 in 1990.

As mentioned earlier, this is a tentative plan with many variables involved, but hopefully we will have fishable walleye populations soon.

## Completes Basic Training

Army National Guard Private Rene D. Trudgeon, son of Agnes M. and Raymond J. Trudgeon of 101 Maple, Grayling, has completed basic training at Fort Dix, N.J.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

He is a 1984 graduate of Grayling High School.

## Veterans Clinic at Gaylord Now on Full-Time Status

Washington, D.C. - Congressman Bob Davis announced today that the Gaylord Veterans Administration Outpatient Clinic will go from part-time to full-time status on April 13.

In addition, funding has been approved to add a part-time physician and a part-time nurse to the current staff of four, the Northern Michigan representative said, calling the Clinic "a remarkable success story".

Davis, who was instrumental in the start-up of the Clinic last October, received the news in a letter late last week from Everett Alvarez, Jr., deputy administrator of the VA. All part-time employees of the Clinic will go on full-time status on April 13.

Last summer, preliminary estimates by the VA predicted 2,000 visits to the Clinic annually. However, veteran's visits have run at a 4-5,000 pace, and patients often have had to wait several months to get an appointment due to the extensive use. On one date in early February, for example, there were already 152 people on the waiting list for an April appointment. VA officials are now estimating that the Clinic will be handling approximately 12,000 visits by its third year of existence.

Davis called the announcement "good news for veterans from Gaylord, Grayling to Sault Ste. Marie to Petoskey."

Original attempts by Davis to extend the Clinic hours were met by a VA response that no decision would be made for one year. Davis said conversations with Harry Boughner of the Otsego County Department of Veterans Affairs convinced him that waiting one year was not reasonable. As a result of those conversations, Davis contacted the VA again in early March urging a prompt decision.

The Clinic services more than 50,000 veterans in the Northern Lower Peninsula and in three counties - Chippewa, Luce and Mackinac - in the Eastern Upper Peninsula.

## Special Services at Free Methodist Church Apr. 15-20

Special meetings will be held at the Free Methodist Church in Grayling, April 15-20 with Herbert T. Sebree, who will preach and provide musical numbers with his wife, Agnes.

Sebree has served as a pastor, a conference superintendent and worked for Jordan College as an administrator and assistant pastor and teacher. He also organized an Evangelism Through Revival Outreach, Inc., to provide music-preaching teams to serve churches which could not ordinarily afford such groups. While serving the Spring Arbor College Church for ten years, three major building projects were completed.

Dr. Sebree is a graduate of Asbury Theological Seminary and is an excellent communicator of the Bible. Services begin at 7:00 p.m., Tuesday through Saturday, April 15-19 and on Sunday, April 20, at 11:00 a.m. and 6:00 p.m.

## Retirement Dinner For Robert McIntosh

Robert McIntosh was honored at a retirement dinner on Saturday evening, March 15, 1986, at the K of C Hall in Grayling. Bob has retired from Michigan Consolidated Gas Company after many years of service, in the downstate area, then Grayling and the past few years in West Branch.

Bob Stone, Manager of Employee Service of Grand Rapids was Master of Ceremonies and a lot of good-natured humor marked his speech. Bob McIntosh was presented with many gifts, some useful and some humorous. Derek Roy, priest of St. Francis Church gave the blessing.

Many Michigan Consolidated Employees were in attendance, Mr. and Mrs. Morrie Nelson, Manager of Business of Traverse City, Mr. and Mrs. Don Johnson, Manager of Business of Mt. Pleasant, Mr. and Mrs. Dave Zawacki, Manager of Marketing of Grand Rapids, Mr. and Mrs. Bob Stone, Manager of Employee Service of Grand Rapids, Mr. and Mrs. Bill Potvin, Operator/Supervisor of Petoskey.

Also Mr. and Mrs. Don Williams, Operator/Supervisor of Tawas/West Branch, Mr. and Mrs. Ron Rakoczy, Operator/Supervisor of Grayling/West Branch, Mr. and Mrs. Don Bednarik, Dispatcher, Mr. and Mrs. Tom Bednarik, Michigan Con Retiree, Mr. and Mrs. Randy Norwood, Tawas/West Branch office, Larry Benson, General Supervisor South Areas, John McCarthy, Director Outstate Office Operations and Ms. Joanne Martinnosi, Rose City/West Branch Office.

The Richard Allens videotaped the program and many other Grayling friends and local business people and officials were in attendance at the dinner. We wish Bob well in his retirement. After listening to all of his accomplishments in community life, we know that he will find time now to do more and enjoy every minute of it.

## Daniels Den

Daniels Den will be presenting Lyle & Linda Dowling from Gaylord. They have fine singing voices and Lyle accompanies with the guitar. You might have seen them in the Right to Life concert in Gaylord in January of this year. They are always a delight to have, and I know you will enjoy their performance. They were scheduled last month but due to illness they had to cancel, so here's your chance now to miss them this time.

Daniels Den is located on the corner of I-75 & M-72 West in Grayling. The doors open at 7:30 p.m., and music starts at 8:00 p.m. to 10:00 p.m. Come join us, all ages welcome.

## Emergency Service Council Meets

The Emergency Service Council of Crawford County held their regular monthly meeting on March 12 at the Frederic Fire Dept. Emergency services represented at this meeting was the Beaver Creek Fire Dept., Crawford County Ambulance Corp., Crawford County Sheriff Dept., Frederic Fire Dept. and Ambulance Corp., and the Grayling Fire Dept.

Members of the council discussed the need for mutual aid agreements among the fire departments. A copy of the Macomb County Fire Departments agreement was looked at and decided that it would adequately cover the points needed for the Crawford County agreement. Copies are being sent to the Grayling City Council and all Township Boards for their approval. The agreements are needed in case of a major fire in the county in which additional fire departments are requested to assist.

The council also discussed the need for pre-planning for forest fires. A command post is needed to coordinate communications among agencies fighting a major forest fire. The Grayling Fire Dept. has a mobile unit that could operate as the command post, however it has not been utilized in the past.

The next meeting of the Emergency Service Council will be at the Beaver Creek Fire Dept. on Wednesday, April 9th at 7:00 p.m. Anyone having questions or comments concerning the council can also call 275-8548 Monday thru Friday between 9 a.m. and 4 p.m. or write to: Emergency Service Council, P.O. Box 863, Grayling, MI. 49738.

## Attention

The 80 or Over or Handicapped Party which was scheduled for this Sunday, April 13th at St. Mary's Family Center has been cancelled.

## Farrel Named Fuelgas Marketing Representative

Brian Farrel has been named marketing representative for the Grayling Fuelgas and Appliance office. He will be supervising special sales, publicity, and estimates for new gas customers.

"We want to be the total energy company for people here," said Farrel. "We want to sell them their first propane tank and carry through by helping them acquire appliances. And we service what we sell. We're service orientated."

Farrel worked four years as office supervisor for the Gladwin Fuelgas plant before taking the Grayling position. He grew up in Gladwin where he graduated from high school. He received a bachelor of arts degree in advertising and public relations from Central Michigan University and an associate of arts degree from Mid Michigan Community College.

Farrel, who started his new job April 7, is married to Rose Marie Farrel and they have two children Jeremy, 10, and Sean, 2.

## Frederic Day Meeting

A meeting to discuss and help plan for Frederic Day, will be held Wednesday, April 16th starting at 7:00 p.m. at the Frederic Township Hall. Anyone interested in sharing their ideas and input may attend.

Workers In Frederic

## "Attention"

There will be a Womens Softball meeting Tues., April 22 at 7:30, basement of Chief Shopenagons. All women interested in playing are urged to attend. Election of officers will take place at this meeting.

## Georgia-Pacific

(Continued From Page 1)

9-10 trucks a day are expected to be leaving the plant with finished products.

The proposed operating time for the plant is seven days a week, 24 hours a day. The workforce is expected to be about 27 persons — four persons in management, four in quality and environmental control, two in maintenance, and seventeen in production.

Maximum emissions from the plant are expected to be below levels of significance set by the United States Environmental Protection Agency and the Michigan Department of Natural Resources. The study listed these rates for estimated maximum emission rates:

Particulates - 0.12 lbs/hr.  
 Sulfur Dioxide - 0.014 lbs/hr.  
 Nitrogen Oxide - 3.36 lbs/hr.  
 Carbon Monoxide - 0.84 lbs/hr.  
 Other volatile organic compounds - 0.14 lbs/hr.

Formaldehyde - 0.045 lbs/hr.

The environmental assessment study says the "extensive vapor recovery and incineration system should assure that the plant will not normally be a source of odors off-site."

The study also says the plant should not be a significant source of noise or vibration.

Concerning water quality in the area, the study points out there will be no discharge of

waste water into the ground. All process wastewater will be recovered, treated, and re-used. The only discharge into the ground from the plant will be a normal sanitary septic system with drain field to serve the plant bathrooms, showers, and drinking fountains.

The plant will be drawing water from the main aquifer in the area, but the study says the amount should not be significant enough to result in changes in groundwater flow patterns or enough to create a cone of depression. The study says Crawford County has yields of 500 gallons a minute per well and Georgia Pacific will only be withdrawing 75 gallons a minute on the average and 350 gallons a minute at peak use.

As part of the environmental assessment, four groundwater test wells were drilled on the four corners of the site. No contamination was found and Georgia-Pacific plans to test the wells periodically.

Swanson Environmental found no rare or endangered plants or animals on the 16-acre Georgia-Pacific site during a September 17-20 field study. Three large red pine from 100 to 150 years old were discovered and Georgia-Pacific feels they won't have to disturb them when building.

## Bits . . . . . by Fay

Dr. Ralph E. and Nancy Hoffman are pleased to announce the birth of their granddaughter, Shannon, on April 1, 1986. She weighed 9 lbs. 11 ozs. The proud parents are Mike and Sharon Hoffman. The maternal grandmother is Mrs. Opal Isaac of Bypro, Kentucky. Mike Hoffman and family have moved back to Grayling from Mt. Pleasant. Mike will be working as the Manager for the Grayling Country Club.

Grayling Youth Booster Club will be holding their Annual Swiss Steak Dinner Saturday, April 26, from 4:30-8:30 at Patty's Country House. Adults \$5.00, Children 10 and under \$2.50.

Amber Meech spent three weeks in March at Vandenberg Air Force Base, California, with her daughter, Cory, and husband, Capt. William Dean. While she was there they did some sight-seeing in the area, among them, the Hearst Castle and Solvang, Danish Village. Cory is employed as a nurse at a hospital in Santa Maria.

Mrs. Helen Harwood is pleased to announce the arrival of a great grandchild. Jill Nicole Leonard was born on March 6, 1986 to Joni and Shawn Leonard of Jacksonville, Florida. She weighed 6 lbs. 4 ozs. Grandparents are Judy and Richard Campbell and besides Helen, Betty McFarlane is also a great grandmother.

The 80 or Over or Handicapped Party which was scheduled for this Sunday, April 13th, at St. Mary's Family Center has been cancelled.

David Hunter and friend, Barbara Cox, and Mike Hunter, all of Chicago, were here for the Easter holiday to visit their grandmother, Mrs. Matilda Hunter. David and Barbara stayed until Thursday of last week while Mike returned to Chicago on Tuesday.

Rufus and Elvira Edmonds and family visited his aunt, Mrs. Rosa Christenson at Wargo's Milltown Manor last week. Rosa is recuperating from hip surgery.

Grayling Youth Booster Club will be holding their Annual Swiss Steak Dinner Saturday, April 26, from 4:30-8:40 at Patty's Country House. Adults \$5.00, Children 10 and under \$2.50.

Bill and Opal Hunter returned last week after five week's vacation in Lake Bryant, Florida. They visited his sister and brother-in-law, Willard and Hazel Haines and also a niece and husband, Marian and Bob Wills of Flint who were also in Florida. The Wills stayed next door to Doug and Evelyn Riegle who winter there.

Bob McCurdy was in Milwaukee, Wisconsin, from Monday to Friday of last week where he spent the time in school at the J.C. Penney warehouse in preparation for opening a J.C. Penney Catalog Store in downtown Grayling. The opening will be April 14.

## Petoskey Lawyer Candidate for Michigan Court of Appeals

Nathaniel W. Stroup, currently the senior member of the Petoskey law firm of Stroup, Mulhauser, Johnson & Tresidder, P.C. announced his candidacy Monday, March 31, for the Michigan Court of Appeals, 3rd District. This intermediate court decides appeals from Circuit and Probate Courts and various state administrative tribunals.

Mr. Stroup was born in 1931 and is a 1958 graduate of the University of Michigan Law School. He was admitted to the Bar in 1958 and has been practicing in Petoskey since 1959. Mr. Stroup has furthered his legal education with post-graduate studies at Magdalen College, Oxford University, England. Prior to attending law school, he served as an officer in the United States Air Force, seeing active duty during the Korean War.

Active in the State Bar, Mr. Stroup has served since 1980 as elected Commissioner of District A and State Bar Treasurer; and is currently a member of the State Bar Executive Committee and the State Bar Representative Assembly. He is also a member and past president of the Emmet-Charlevoix Bar Association.

Mr. Stroup is a member of

the American Bar Association, the American Judicature Society, The Defense Research and Trial Lawyers Association, Michigan Defense Trial Counsel, and the American Arbitration Association specializing in building and commercial disputes.

In addition to his qualifications as a trial lawyer in the Michigan Courts, he is also admitted to practice before the Federal District Courts, the U.S. 6th Circuit Court of Appeals, and the Supreme Court of the United States.

The announcement of his

candidacy took place at a press conference at his law firm in Petoskey. His wife Judge Barbara B. MacKenzie was also present at the afternoon announcement.

"The Court of Appeals is extremely important to the legal system of Michigan as 85% of the cases decided by it are not further reviewed but become and remain the final legal decision," stated Mr. Stroup. "My 28 years of active legal practice and trial experience have provided me with extensive background in legal theory and practical application in nearly all types of legal problems that come to the Court of Appeals."

The 3rd District for the Michigan Court of Appeals consists of 66 counties and includes all of the Upper Peninsula and northern lower Michigan as well as the entire western side of the state. As incumbent Judge Glenn S. Allen, Jr. and Thomas M. Burns will be retiring at the end of 1986, there will be two vacancies on the Court to be filled by the voters at the November election.

## LIFE

### After the Death of a Spouse

Life is a series of transitions. We pass from youth to adulthood to middle age and beyond in a seamless progression usually noted in hindsight. Each generation faces challenges that are distinctively their own.

Seniors must cope with retirement and fixed incomes, diminishing physical capabilities, the passage from parenthood to grandparenthood and, oftentimes, the death of friends and loved ones.

For most people, recovering from the loss of a husband or wife is one of life's sternest challenges. Depression, withdrawal, remorse and anger are commonly experienced by the survivor.

### District Court

The following persons appeared in 83rd District Court before Judge Francis L. Walsh:

Wayne Syring, 55, of Munger, plead guilty to a charge of killing a deer out of season and was fined \$208 or 30 days plus \$100 restitution. He also loses his license for the next three years. He was cited Feb. 6 by a DNR officer.

Kenneth Vandusen, 30, of Grayling, plead guilty to a charge of assault and battery and was sentenced to one year probation. He was cited Oct. 17 after a citizen complaint.

Brian Featherstone, 19, of Grayling, plead guilty to three charges of O.U.I.L. and a charge of trespass—entry forbidden. He was sentenced to 90 days in the county jail for the O.U.I.L. charges and 30 days for the trespass charge. He was cited April 14, April 17, June 6, and June 18.

Bradley Kerkhove, 30, of Grayling, plead guilty to a charge of reckless driving and was fined \$205 or 30 days. He was cited Jan. 10 by the sheriff dept.

Robert Garcia, 43, of Sterling Heights, was fined \$305 or 30 days plus his license is restricted for 90 days for a charge of impaired driving. He was cited Nov. 27 by the sheriff dept.

Jeff Kea, 18, of Grayling, plead guilty to a charge of impaired driving and was fined \$305 or 30 days plus his license is restricted for 90 days. He was cited April 23, 1983, by the sheriff dept.

Scott Burns, 21, of Grayling, plead guilty to a charge of disorderly person and was fined \$105 or 10 days. He was cited July 20 by city police.

Dawn Boonie, 18, of Gaylord, plead guilty to a charge of larceny of less than \$100 and was fined \$105 or 10 days. She was cited Dec. 15 by city police.

## New Obstetrician Opens Practice at Grayling Office

Recruitment efforts by Mercy Hospital, Grayling have resulted in the establishment of a new physician's practice in the current offices of Dr. Brian Fox, M.D., to serve the Obstetric/Gynecology needs of women in the Grayling and surrounding areas.

Beginning May 1, the offices of Sangkyu "Alex" Shin, M.D. will be open at 1200 N. Down River Road, Grayling. Dr. Shin and his family are moving to Grayling from their home in Mt. Clemens, where Dr. Shin has served as Chairman of the OB and GYN Department at St. Joseph Hospital since January. He's been in private practice in the Detroit area since 1973, and says he is looking forward to relocating to northern Michigan.

"I enjoy all the many opportunities the Grayling area has to offer," Dr. Shin said. "My family and I like sports such as golf, tennis, volleyball, and skiing and so Grayling was a perfect match for our interests."

Prior to being named Chairman of the OB/GYN Department at St. Joseph Hospital, Dr. Shin served as Chairman of the Utilization Committee there. He initiated the fetal monitor program at St. Joseph's in 1973, and since that time has

Dr. Shin

instructed nurses and other obstetricians in the use of the fetal monitor. Board certified for OB and GYN in 1975, Dr. Shin holds memberships in the American Medical Association, Macomb County Medical Society, Michigan State Medical Society, and American College of Obstetrics and Gynecology.

He is a well qualified and experienced physician, serving three years in the Korean Navy as a doctor from 1965-1968. Educated at Yonsei University Medical School in Seoul, Korea, Dr. Shin later fulfilled his internship and resident training at St. John Hospital in Detroit.

Routine OB/GYN care along with other specialty areas of obstetrics including infertility workups, cryo-

surgery, colposcopic exams, ultrasound tests and family planning will be offered in his Grayling office. Dr. Shin also specializes in such services as laparoscopic exams and tubal ligation. As a staff physician for Mercy Hospital, Grayling, Dr. Shin will be delivering babies on Mercy's OB Unit, and will perform Cesarean sections and gynecological surgery.

Dr. Shin and his wife, Chung-Hi, are the parents of two children, Caroline, 15, and Sarah, 13.

Office hours are by appointment, and patients may call the office now at 348-2806 to schedule appointments with Dr. Shin.

## County Receives \$6,403 For Emergency Food And Shelter Programs

Crawford County has been chosen to receive \$6,403.00 to supplement emergency food and shelter programs in the area.

The selection was made by a National Board made up of affiliates of national voluntary organizations and chaired by the Federal Emergency Management Agency (FEMA). United Way of America will provide the administrative staff and function as fiscal agent. The Board was charged to distribute \$20 million appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

Crawford County United Way Board in conjunction with Crawford County D.S.S. will determine how the funds awarded to Crawford County are to be distributed among the emergency food and shelter programs run by local service organizations in the area. Social Services will be responsible for recommending agencies to receive these funds and any additional funds available under this phase of the program. Under the terms of the grant from the National Board, local governmental or private voluntary organizations chosen to receive funds must: 1) be non-profit, 2) have an accounting system and conduct an annual audit, 3) practice nondiscrimination, 4) have demonstrated the capability to deliver emergency food and/or shelter programs, and 5) if they are a private voluntary organization, they should have a voluntary board. Qualifying organizations are urged to apply immediately.

Further information on the program may be obtained by contacting: Robert A. Porter, Director, Crawford County D.S.S. Phone 348-7891.

## RSVP Reports

by Aleta Thompson

Retired Senior Volunteers Program (RSVP) has been a success in the Crawford and Roscommon area for some time. Its success is a true credit to the many retired volunteers who have taken the time to help others who are less fortunate.

The program is people helping people and without the large number of caring volunteers, the program simply wouldn't be in existence today. RSVP consists of a nucleus of people who care.

We salute those who are involved in RSVP and encourage more Crawford and Roscommon County senior citizens to become involved in the program. It's for a worthy cause and those who receive help from the program undoubtedly appreciate the benefits derived from an organization as RSVP.

The only criteria for participation in RSVP is that a person be 60 years of age or older. If you are interested, come in or call us at our Roscommon Office, 366-5613 or Crawford County office at 348-4341-348-8322.

We are presently in the need for ladies to help get our two quilts ready for our summer drawing. We have one set up in each county. Think summer! We are signing up volunteers for our summer assignments at the Fish Hatchery, Hartwick Pines, Historical Museum and the Chamber of Commerce in Grayling. Volunteers are needed to work at the Chamber of Commerce St. Helen, Blue Gill Festival St. Helen, and the Houghton Lake Historical Museum in Roscommon County. Please call us if you are interested. If you are interested in participating in our Fund Fund-raisers call our office too! Our Advisory Council meeting is Tuesday, April 15th at 1 p.m. at the Roscommon Community Center. All are welcome.

**HALLEY'S COMET SPECIAL EDITION** - Through the efforts of Pam Williams, first grade Grayling Elementary teacher, elementary students were able to study a special insert on Halley's Comet in the March 25th edition of the Detroit Free Press. Students also enjoyed looking through the regular sections of the Free Press. Second grader Scott Ramsey wrote "This week we were reading the Detroit Free Press and we had questions on the blackboard to answer. It was really easy and I had fun too! After that the teacher gave us a Halley's Comet Special News section." Shown above are students in Mrs. Knibbs second grade class reading the special section.

## "Mercy Matters"

By Sister Mary Ellen Howard, RSM  
President and Chief Executive Officer  
Mercy Hospital, Grayling

We are anxiously awaiting the May 1st arrival of Alex Shin, M.D., Grayling Mercy Hospital's new staff obstetrician/gynecologist. The quality of life here in northern Michigan and a desire to get away from the hustle and bustle of the city are just two reasons why Dr. Shin decided to move here from Mt. Clemens. Dr. Shin also realized that his professional services were critically needed by many patients in our community who are now traveling to other towns for their OB/GYN care.

There are many people to thank who helped us with our recruitment efforts. School officials took the time to show the doctor what a fine system we have here in Crawford County. Dr. Shin was most impressed with Grayling High School's recent recognition as one of the best high schools in the state. Mercy's medical staff also actively participated in the recruitment effort, guiding him through our hospital and entertaining Dr. Shin and his lovely wife on their visit to Grayling.

The support and positive influence the community offered was essential to the success of this recruitment effort. When a group such as our board members, medical staff and school officials band together for one single purpose — to help enrich our community with a physician who is needed by the many women who seek obstetrical and gynecological care, it's really something to cheer about.

Carefully selected by our recruitment team, Dr. Shin has been in obstetric practice for 13 years and is currently Chair of the OB/GYN Department at St. Joseph Hospital in Mt. Clemens. Dr. Chin together with his wife, Chung-Hi, have raised two children, Caroline, 15, and Sarah, 13. Dr. Shin commented that he comes to us from a fine OB department and has good ideas about improving our service.

To attract physicians to Grayling we need to sell our area's many assets while ensuring that they will be a good fit with our community and will be happy here. We're proud to offer obstetric/gynecology patients in this area the opportunity to select Dr. Shin as their physician. For more information about Grayling's newest physician, see the article and picture of Dr. Shin in this edition of the Avalanche.
